ABOUT THE ARTIST

Elizabeth Olwen is a Canadian print and pattern designer.
She prides herself on creating highly considered patterns infused with heart and soul, with the intention of spreading beauty, of amplifying joy.

You can find her work around the globe, on products from decor to paper to fabric to bedding, and so much more.

ABOUT THE COLLECTION

A super groovy and sparkly collection inspired by our deep connections to each other, to nature, to the cosmos. It's a celebration of nature's many magical forms, a world where rainbows talk to flowers and we take our cues from the moon.
A world where everything, and everyone, is made of stardust.
