ABOUT THE ARTIST

Julie Marie is a Danish-born artist living and working from her home studio in the Blue Mountains, Australia. Julie works with fluid mediums such as alcohol inks to create free-flowing abstract artworks, an experience she finds to be therapeutic and calming. It is this experience Julie hopes to share with her audience through the collection with Parkwood Springs

In addition to painting and designing, Julie also enjoys exploring her local surroundings in the Blue Mountains, camping trips, café visits and spending time with her family.
