LOVE WINS
COLLECTION

Julia Gash has created this new “Pride” design to celebrate LGBTQ+ communities, equality and diversity and capture the sense of joy and love that Pride events bring to the world.

Julia’s new work encompasses the soul of Pride - the vibrancy and dynamism of the wonderful people spreading the message of inclusivity around the globe.

Julia’s lively, exciting and colourful design hopes to showcase and say thank you to all of the fabulous individuals who help to make Pride happen, who light up our streets with parades and our hearts with their spirit!
